Agustín Farber

Full Stack Developer | Information Systems Engineering Student

Argentina | (+54) 9 3492 32-2894 | agusfarber@gmail.com

PROFESSIONAL PROFILE

Full Stack Developer with over 2 years of experience building web and mobile applications with PHP, JavaScript, React and Node.js for clients in Argentina, Mexico, Spain and the United States. I adapt quickly to different stacks and agile methodologies, with a focus on code quality and problem-solving. I'm looking to keep growing within a development team where I can contribute my experience and take on new technical challenges.

EXPERIENCE

McDonald's, *United States — General Crew* December 2025 – April 2026

• Provided customer service and handled orders and payments, communicating daily in English with customers and coworkers in a multicultural team.
• Strengthened my English communication skills through daily use in a fully English-speaking work environment.
• Developed organization, speed and the ability to resolve situations under pressure, maintaining service quality.

DiarioSports, *Argentina — Full Stack Developer* December 2024 – December 2025

• Development, refactoring and optimization of features using PHP, JavaScript, HTML and CSS, improving site performance.
• Implementation of UI/UX improvements, adapting components and styles to project needs.
• Maintenance and updates of content and functionality within WordPress, fixing errors in both frontend and backend.
• Worked with MySQL databases and version control (Git) to manage changes.

TINegocios, *Mexico — Full Stack Developer* June 2024 – June 2025

• Development and maintenance of web and mobile applications for clients in the foreign market, involved in the full cycle: requirements analysis, implementation and client follow-up.
• Worked under agile methodologies (Scrum), using Jira for task organization and tracking.
• Provided technical and functional support, and helped onboard new team members onto projects.

EDUCATION

Information Systems Engineering | Universidad Tecnológica Nacional – Facultad Regional San Francisco.
• 2021 – Present (In progress). Expected graduation: 2026.
